AI in Your Daily Life

All the AI Questions You've Been Embarrassed to Ask

You're a senior executive who makes decisions that shape organizations, and yet AI still feels like someone else's domain. Not anymore. Join a curated, no jargon conversation designed specifically for leaders like you.

77%

of Fortune 500 CEOs rank AI as their #1 priority

4

practical AI tools you can start using this week

YOU'LL WALK AWAY WITH

- Clarity on why AI matters *right now* for executives, not someday
- Hands on tools like ChatGPT, Claude, and more, demystified for daily use
- Already using AI? You'll still walk away with tools and insights you haven't seen before
- Confidence to lead AI conversations in your organization

\$75

GUEST SPEAKER

**Shruti
Ahluwalia**

Vice President of AI Platforms & Product Transformation
The Institute of Internal Auditors

ABOUT THIS TALK

A no judgment, no jargon guide to finally getting comfortable with AI, designed specifically for senior executive women who lead at the highest levels but haven't yet had the time (or permission) to explore these tools. Walk away ready to use AI with confidence, starting this week.

THE VENUE

A 200 acre motorsports campus set just minutes from downtown Tampa and Tampa International Airport, home to the Hermann Tilke designed Hard Rock Speedway and the world's largest private garage community. Raw motorsports thrills. Refined hospitality. All under one roof.
